## ENTRANCE. ALIGN WITH FRONT WALL.

- Align the bottom of the bagua map to the entrance wall of your space.
- Stand in the doorway of the space and look into the room.
- Hold the bagua map so that the top-right corner is LOVE/RELATIONSHIPS.
- The main entrance of the entire space or specific room will always align to one of the three bottom guas.
- See how each bagua (sector) relates to an area that you want to work on, and get started!
